Authorized to work in the US for any employer

Work Experience

Handyman/Laborer
Person-to-Person - Kirkland, WA
September 2023 to Present

As a handyman my work varies but consists of anything from inside house work, to gardening, painting, using various power tools, lifting, shoveling, handling large objects, etc.

Retail Sales Associate
Sunglass Hut - Lynnwood, WA
October 2022 to October 2023

(425) 771-1042
At Sunglass Hut, I was responsible for taking care of any and all customer's that walked through the door, providing them a complementary service, and trying to help them in anyway possible. This job gave me a chance to hone my social and sales skill considerably, as well as the essentials of working in a real team that relies on all of its members. I was rewarded with employee of the month for July of 2023, and both my managers and my coworkers commended me for my reliability and good work ethic.

Dishwasher/Spaghetti Cook
The Old Spaghetti Factory - Lynnwood, WA
April 2022 to August 2022

(425) 672-7006
As a dishwasher and spaghetti cook at the Old Spaghetti Factory I was responsible to wash, clean, put away dishes, and keep up with orders in a fast-paced environment. I learned how to work fast but efficient, optimize my tasks to increase efficiency, and hone my work ethic.

Education

Bachelor's Degree in Computer Science
Northwest University - Kirkland, WA
August 2021 to Present
